**Re: United States v. Ronald Ocasio, 95-Cr-942 (JPC)**

Dear Judge Cronan:

Ronald Ocasio's 28 U.S.C. § 2255 petition is pending before this Court. On February 23, 2021, this Court appointed me pursuant to the Criminal Justice Act to represent Mr. Ocasio in pursuing a *Brady* claim raised in his petition. The Court directed the parties to propose a briefing schedule within 7 days.

I have consulted with the government and made a preliminary review of the record as it exists on PACER. It is clear that proper analysis of Mr. Ocasio's *Brady* claim will require a review of the trial record (currently in storage), as well as a potential review of the discovery and 3500 material disclosed to the defense prior to trial in 1997. All of this will take time. I therefore respectfully propose, with the consent of the government, the following briefing schedule:

- Supplemental Brief Due 5/3/21
- Government Response Due 6/18/21
- Defense Reply Due 7/2/21

Although I will endeavor to work with all reasonable speed, the delays inherent with the review of a 25 year old case may require a future modification of this schedule.

Thank you for your consideration.

Sincerely,

/s/

Florian Miedel
